

Melbourne 05/08/2020

Containment of the pandemic COVID 19 – As Melbourne has now moved into a stage 4 lockdown, please note that our offices will remain closed to the public until further notice. All our language and cultural courses will be kept to an online format so that you can continue your Italian learning with us from home whilst our program of events will be presenting webinars by international guest speakers as well as live streams and online virtual performances. Stay safe, stay home, enjoy Italy from afar.
